

SANDY WEBSTER

BIOGRAPHY

Sandy Webster is an artist currently working in mixed media. After several years working with basketry as her primary medium she went on to receive her Bachelor of Fine Arts from Western Carolina University and her Master of Fine Arts from Norwich University at Vermont College.

She lives with her husband in western North Carolina. In addition to her studio work, Sandy Webster has written articles and served as a juror of fiber-related exhibitions while teaching and exhibiting internationally.

Sandy Webster's works have been shown throughout the US and internationally. She has been published in Fiberarts Design Books 1V, V, VI; several Lark Publications as well as Handwoven, Shuttle, Spindle & Dyepot, and Textile Fibre Forum. Sandy has taught, lectured and juried throughout the US, Canada, Australia and New Zealand.
